

# Historic Northbrook Thursday Night 9-Hole Mens League

Why are we historic? We are the longest running league at Northbrook. The league was established in 1971 when the golf course first opened. Many of the original members were instrumental in the formation, improvements of the course. There are even some around that remember the trees they planted! It has been a league that is not only known for its competition on the course, but the post round comradery till the "last man" leaves!

**"Fore"mat:** Our format is unique! The start of each season is "reset" with a fun filled, much anticipated, night of preseason jocularly with the draft for the new season. Each team consists of a player that represents each flight (A, B, C, D). These flights are determined by the previous seasons final average gross score. We currently have 40 regular players representing 10 teams of 4 players. The team you are on last season, will be different the next season.

**Scoring:** Players have the opportunity for 2 points, 1 point for low net, the other for hole-by-hole match play vs opponent. Players can enter scores while playing on the league APP (preferred), for all to see in real time. If you aren't able to do this while playing, they will be entered at the end of the round.

**Scheduling:** Each week of the season your opponent will be from your own flight. Players arrange their own tee time with their opponent each week. In the event you need a sub, there is a sub list that can be used and the subs can play any flight as needed.

**Fees/Prizes:** The season fee is \$50. The weekly fee is \$5, \$3 goes for skins (gross and net), \$2 goes for a blind partner game.

**Season End Banquet:** There is an end of season banquet and prizes. It's your chance to go down in history as a winner in our long-storied tradition.

**League Dates:** Start of the league will be determined on the course schedule, typically first week of May. Length will be determined by the number of teams and schedule will end in September.

**Contact:** If interested, reach out to the Pro Shop or email [golf@northbrookgolf.com](mailto:golf@northbrookgolf.com)
