

# **Tuesday Night-Two Person Scramble**

## **Reminders/Rules**

**Format:** 2 Person Scramble, One Club Length in Same Terrain, No Closer to the Hole, Must Hole Out for Handicaps

**Flights:** Competitive, Mixed and Couples Divisions

**Handicaps:** "New" Team Handicaps will be established after 2 weeks **unless** you have the same partner as last year, then your handicap will carry over from previous year.

**Hole Handicaps:** Based on league average compared to par

**Scoring:** Match Play Scoring 4 Points Per Hole  
                  \*2 Point Each for Halved Hole  
                  4 Point Bonus for Winning NET Stroke Play (Handicapped)  
                  40 Points Possible Per Match

**Scheduling Issues:** If your team is unable to play on a league night, you will have 2 options to complete your match. (1) Reschedule within 2 week of the date you had missed (*if both teams can't make it*) (2) If only 1 team is able to show up, that team will play with another group in the league that night and post their score. They will play against PAR (can not lose the match; however, meaning the worst the score could be 20-20). The team that didn't show up will take whatever the PAR score was from that match. So, if the team that showed up won 24-16 – 16 points would be awarded to the team that didn't show up.

**Weekly Prizes:** 4 Hole Events Each Week-\$10 Gift Card  
                          Skins Game Each Week – Gross/Net Skins depending on Flight.

**Annual Prizes:** TBD depending on flights and Number of Teams

**Year End Banquet:** September 1<sup>st</sup> at 6pm - Meal Covered by League Fees

**League Fees:** \$50 / Team

**Weekly Fees:** Member w/o Cart Pass - \$18 per person (\$13 for cart, \$5 for Weekly Games)  
                          Member w/Cart Pass - \$5 per person (\$5 for Weekly Games)
